

Welcome to the practice!

You have an appointment for a new patient exam on _____ at _____.

At your comprehensive examination we will evaluate and discuss your overall dental health. We want to understand your oral health goals and partner with you to achieve them.

We will evaluate the following:

- Review your x-rays (if you do not have a current set of diagnostic x-rays, we will update them at this appointment) and photos of your teeth.
- Temporomandibular joint (TMJ)
- Intra and Extra oral cancer screening
- Head and neck exam – including palpation of facial muscles and lymph nodes
- Periodontal health (gums and bone support)- both radiographically and intraorally
- Inspect your tooth structure and completed dental work
- Evaluate your bite, wear, and function of your teeth
- Discuss your current and future dental needs and answer any questions you may have
- Diagnose and schedule the proper type of dental cleaning appointment

We look forward to meeting you and spending quality time with you. Together we can strive to maintain your teeth for a lifetime and provide you with the treatment and smile you desire.

Please return the enclosed patient forms as soon as you are able. We have included a self-addressed, stamped envelope for your convenience. We appreciate having your forms prior to your initial visit to our office.

We are looking forward to your upcoming appointment!
